

MTT 1510 Credit

Products for Mobile Merchants

Product Overview

WAY Systems' Mobile Transaction Terminal (MTT) combines low-cost Mobile phone technologies with the capabilities of a point-of-sale (POS) terminal. The MTT integrates the security and functionality of a traditional POS terminal with the convenience of a mobile phone to create a terminal that accepts payment any where at any time.

Product Features and Benefits

- Works virtually anywhere
- Best mobile coverage available (GPRS)
- Supports all major processors
- Customer support included (24/7 Helpdesk)
